CERTIFICATIONS

- Information Technology Specialist – HTML & CSS Certiport | 2025

TECHNICAL SKILLS

- Tools: VS Code, GitHub, Blender, and Unity
- Programming Languages: C++, C#, Python, JavaScript.
- Foreign Language

PROFESSIONAL SKILLS

Collaborated with 2 other peers to design, build, and refine shared game development features.

Maintained consistent on-time attendance and sustained focus during extended hands-on coding sessions.

Explained design and layout decisions during project reviews to align content and functionality

PROJECT EXPERIENCE

I worked with two of my classmates to develop and design a website videogame using Javascript, HTML, and CSS. We made the game for the FBLA Regionals competition and we won 2nd place.
